

# I HAVE PARKINSON'S DISEASE.

Please allow me time to communicate.

**Parkinson's disease (PD)** is a neurological movement disorder. I may slur my words, seem unsteady on my feet, or not be able to move at all. I am aware of what is going on. Please be patient with me. If I need help, kindly contact the person listed on the other side of this card. Thank you for your help and understanding.

For more information on PD contact the
