Your Support Matters!!

Your generosity continues support to over 2500 families in Rhode Island and South Eastern Massachusetts!

Our Patient Care Services Program provides Respite Care grants to our caregivers during unusual or emergency situations. Our Commentary Care grants allow people with Parkinson's to try Reiki, Tai Chi, yoga, acupuncture or massage for their Parkinson's.

Our Rock Steady Boxing Financial Assistance Program allows our members to participate in Rock Steady boxing programs at a discounted rate. In 2017 we provided over 60 families with financial assistance for boxing! We have also provided educational and art opportunities for our members !

We couldn't do all this without YOU!!

THANK YOU
