

Join Us for a **Weekly Rehab Group** **Individuals with** **Parkinson's Disease**

*Hosted by the Saint Vincent Hospital Rehabilitation Department
Classes are led by **Speech Therapists** and **Physical Therapists** trained in*

LSVT LOUD™ and **LSVT BIG™**

Sessions are held every Wednesday from 10:00 – 11:00am

Location:

Saint Vincent Hospital

123 Summer Street
Worcester, MA 01608
6th floor; South side

*(Room is directly in front of the south
side glass elevators)*

*Every **second** Wednesday the class will focus on improving voice production & memory and will be hosted by a **speech therapist**. All other weeks, the class will include exercises specifically designed for those with **Parkinson's Disease**.*

*These classes will be hosted by a **physical therapist**.*

For more information about these classes or about individualized speech, occupational or physical therapy, including **LSVT LOUD** and **LSVT BIG** for the treatment of Parkinson's Disease, please contact Christine Feeley, DPT at 508-363-9016 or via email at Christine.Feeley@stvincenthospital.com

These are Drop-In classes, registration is not necessary.

There is no cost associated with this program.
