

The LOUD Crowd

The LOUD Crowd is a group for People With Parkinson's Disease to practice and maintain their communication skills in a group setting. People interested in joining the group must first receive individualized speech therapy following the SPEAK OUT! protocol in order to be familiar with the techniques and tasks utilized in The LOUD Crowd.

If you have already gone through a SPEAK OUT! program at Emerson Center for Rehabilitative and Sports Therapies or another facility, then you are ready to join the group.

If you have not gone through SPEAK OUT!, then please contact our office to schedule an evaluation and individualized treatment.

LOUD Crowd Cost: \$200/12 sessions, paid prior to the first session.

Schedule for Spring 2017: Thursdays 11:30-12:30, starting April 20, 2017

Place: 300 Baker Avenue, Suite 160, Concord, MA

To register or for more information, please contact Joy Walsh, MS, CCC-SLP at jwalsh@emersonhosp.org or 978-287-8237.
