

Kathy Schroeder – Director

Kathy is a Principal in the Entrepreneurial Services Group at Brown Smith Wallace with over 30 years of experience in public accounting with specific emphasis in tax planning, compliance and research for individuals and businesses. She also spends much of her time consulting with small business clients on operating, financial and tax matters. Kathy got involved with the APDA after her husband, Doug, was diagnosed with PD. Both Kathy and Doug have spent much time volunteering for and supporting the APDA's various programs for many years.
