Emerson Hospital

LOUD Crowd for Parkinson's

Joy Walsh, MS, CCC-SLP

Senior Speech Language Pathologist, Emerson Hospital Center for
Rehabilitative and Sports Therapies

If you have participated in SPEAK OUT! individualized speech therapy, consider joining the LOUD Crowd. This group therapy program helps participants maintain the skills they have learned during their initial SPEAK OUT! therapy. It also provides a forum for support, encouragement, and accountability.

**For more information, contact Joy Walsh at 978-287-8237 or
jwalsh@emersonhosp.org.**
