

Sing for Joy

A Singing Group for People with Parkinson's Disease

Sing for Joy is a singing group offered at the Cape Conservatory for people living with Parkinson's disease. Supported by a grant from the Parkinson Support Network of Cape Cod, a Branch of the American Parkinson Disease Association Massachusetts Chapter, the Conservatory developed the group to help those with Parkinson's disease maintain the health of their voice, build community through singing, and experience hope—and joy—through music. Family members, friends, and caregivers are welcome.

Sing for Joy is a free, on-going group that is supported by grants from the Arts Foundation Cape Cod and the Parkinson Support Network of Cape Cod (a Branch of the APDA Massachusetts Chapter). Please contact the Conservatory to register.
