APDA Northwest Optimism Walk 2018 Sponsorship Proposal

Sunday, June 3th, 2018

CONTACT: Jean Allenbach c: 206-695-2905 e: jallenbach@apdaparkinson.org

w: www.apdaparkinson.org/Northwest

APDA Optimism Walk

A fundraising event that offers a short walk (between 1-3 miles) and an important opportunity for friends, families, and individuals coping with Parkinson's to take their passion and concern and turn it into a positive experience aimed to help end Parkinson's disease.

Our goal is 450 walkers and \$100,000 raised for the American Parkinson Disease Association!

Join us for a family fun day filled with inspiration, hope, and a great sense of community! Funds raised will enable APDA to continue providing information, education, and support to those impacted by PD and fund scientific research into the causes, prevention, treatments and ultimately the cure. Every dollar raised makes an important difference.

Parkinson's Disease By the Numbers

1 million people in the US
are living with PD

Every 9 minutes, someone in the
US is diagnosed with PD (that's 60,000
people per year)

Men are 1.5 times as likely
to get PD as women

2018 Event Details

Sunday, June 3, 2018

Ship Canal Trail

Starting and Ending at the Nickerson Street Saloon

Check-In/Activities 9:30 am

Walk Begins 10:30 am

Post-Walk Celebration 11am – 1 pm

Sponsorship Dollars at Work

Funds raised at the 2018 APDA Northwest Optimism Walk will be used towards a number of important local and national projects with the ultimate goal of discovering a cure and supporting those living with Parkinson's disease.

APDA Mission & Vision:

Every day, we provide the support, education and research that will help everyone impacted by Parkinson's disease live life to the fullest.

About APDA (nationally):

The American Parkinson Disease Association (APDA) was founded in 1961 with the dual purpose of supporting people living with Parkinson's disease (PD) and funding research that will lead to a cure. In that time, APDA has raised and invested more than \$89 million to fund research, patient services and education, and elevate public awareness. As the country's largest Parkinson's grassroots organization, APDA aims to support the more than one million Americans with Parkinson's disease and their families through a nationwide network of Chapters, Information and Referral (I&R) Centers, and support groups. APDA pursues its efforts to find a cure by funding Centers for Advanced Research and awarding grants to fund the most promising research toward discovering the cause(s) and the cure for Parkinson's disease.

About APDA Northwest:

APDA Northwest serves thousands of people living with Parkinson's disease in Washington, Oregon, Alaska, Idaho, and Montana. APDA's energy is focused on patient services, education, raising public awareness and funding research. We fulfill our mission locally by educating and empowering those in our community challenged with Parkinson's by promoting hope and optimism through innovative services and programs, and funding vital local and national research. This dual mission of helping people live better today while we also fight for a better life tomorrow, is unique.
