WHAT IS PARKINSON’S?

Parkinson’s disease is a progressive nervous system disorder that affects movement. Symptoms start gradually, sometimes starting with a barely noticeable tremor in just one hand. Tremors are common, but the disorder also commonly causes stiffness or slowing of movement.

WHAT IS ROCK STEADY BOXING?

Rock Steady Boxing improves the quality of life for people battling Parkinson’s Disease through non-contact, boxing-inspired fitness training. Boxing works by moving your body in all planes of motion while continuously changing the routine as you progress through the workout. These classes have proven that anyone, at any level of Parkinson’s, can actually lessen their symptoms and lead a healthier/happier life.

All people with Parkinson’s Disease, and their “Corner-man” are invited to participate. There is no age limit and no boxing experience is necessary.

ARE YOU READY?

We are learning everyday that there are ways in which people with Parkinson’s Disease can enhance their daily quality of life and even build impressive power, strength, flexibility and speed! By exercising with coaches who know the ropes, you can fight your way out of the corner and start to feel and function better.
