YOUNG ONSET PARKINSON'S MEET AND GREET EVENING

If you are between the ages of 30-55 and diagnosed with Young onset PD,
then come join us for an evening of information and Tai Chi!
You will get a chance to not only meet other adults with PD,
but also gather information and experience the benefits of Tai Chi
as a way of treating PD symptoms.

Participation is free, but reservations are required.
To reserve your place or inquire about program, please call **(516) 663-4593**.
