APDA Optimism Walk

The APDA Optimism Walk is a family-friendly fundraising event that offers a short walk (1 mile) and an important opportunity for friends, families, and individuals coping with Parkinson's to take their passion and concern and turn it into a positive experience aimed to help end Parkinson's disease.

Join us for a fun day filled with inspiration, hope, and a great sense of community! Funds raised will enable APDA to continue providing information, education, and support to those impacted by PD and fund scientific research into the causes, prevention, treatments and ultimately the cure.

Every dollar raised makes an important difference. The more funds we raise, the more people we can help.

Parkinson's Disease By the Numbers

1 million people in the US
are living with PD

Every 9 minutes, someone in the
US is diagnosed with PD (that's
60,000 people per year)

Men are 1.5 times as likely
to get PD as women

About APDA (nationally):

The American Parkinson Disease Association (APDA) is the largest grassroots network dedicated to fighting Parkinson's disease (PD) and works tirelessly to help the more than 1 million Americans with PD live life to the fullest in the face of this chronic, neurological disorder. Founded in 1961, APDA has raised and invested more than \$170 million to provide outstanding patient services and educational programs, elevate public awareness about the disease, and support research designed to unlock the mysteries of PD and ultimately put an end to this disease. This is done through a nationwide network of Chapters and Information & Referral (I&R) Centers, as well as a national Research Program and Centers for Advanced Research.

About APDA in Oklahoma:

APDA has a long, strong history in Tulsa, Oklahoma serving individuals with Parkinson's disease and their families for over 30 years. In that time, APDA has provided support, education, resources, and information to thousands of individuals, families as well as healthcare providers in the Oklahoma area to ensure our participants are armed with the latest information. APDA Oklahoma provides educational experiences throughout the year to our constituents including an annual Education Forum & health fair, providing sessions from neurologists and skilled professionals in all fields helping individuals live well in spite of Parkinson's disease. Since exercise is key to fighting this disease, APDA works with the community to provide exercise classes to clients specifically geared toward PD to ensure that those fighting this disease can win the battle each and every day. Making these programs available to the PD community provides movement, but also security and hope that one day we will find a cure.

APDA Optimism Walk Sponsorship Options

Funds raised at the 2019 Tulsa Optimism Walk will be used towards important programs and services for the local PD community that help to educate, support and raise awareness, as well as national programs and efforts that help people impacted by PD no matter where they live.

APDA Mission & Vision:

Every day, we provide the support, education and research that will help everyone impacted by Parkinson's disease live life to the fullest.
