

Finding Support for Care in the Home

Part of the APDA MA Virtual Education Series:
Bringing Information to You at Home

TUESDAY, NOVEMBER 3, 2020 | 1-2 PM

Join the American Parkinson Disease Association MA for this program presented by Dave Tasto, local expert and author of “Thriving at Home - A Handbook for Preventing Hospital Stays.” Participants will learn more about getting extra support at home for themselves or a loved one. Dave will discuss common situations at home, the types of help available, and provide advice on how to find the best home care for your needs. He will also share tips from his book including specific actions you can take to keep a loved one healthy at home.

This program is designed for people with Parkinson's disease and their care partners.

Registration is required.
