

## YOUNG ONSET PARKINSON'S VIRTUAL SUPPORT GROUP

**The Young Onset Parkinson's Virtual Support Group  
Via Zoom  
1<sup>st</sup> Thursday of each month  
Zoom link will be provided**

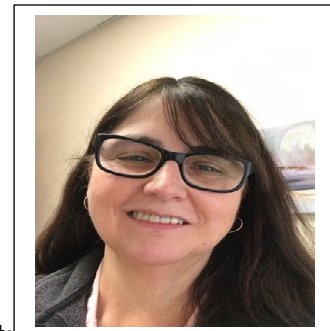

The Young Onset Parkinson's Virtual Support Group is a group of people diagnosed with Parkinson's disease before the age of 50 and their care partners (significant others), who provide support to each other to address challenges of a young onset diagnosis.  
The group meets once a month.

Topics for discussion in the group:

- Genetic factors
- Managing symptoms
- Treatments
- Latest research
- Impact of diagnosis on career, parenting, relationships, future goals
- Sharing resources
- Developing a support community (connection)

**Facilitated by Joan M. Marsh-Reed, CSP, MA**
