

Optimism Award winners exemplify the APDA tagline of “Strength in optimism, hope in progress” by having a meaningful impact on the Parkinson’s community through support, education, wellness, and/or research. The Optimism Award celebrates people who are demonstrating optimism through their important contributions to the Parkinson’s community, and providing inspiration and hope for all that can be achieved.

We are surrounded by extraordinary individuals who every day are making a difference in the lives of people living Parkinson’s disease. Please help us to recognize those people by nominating them for APDA Optimism Award.

NOMINATION GUIDELINES

We invite members of our Parkinson’s disease community to use the form provided to submit nominations to Heidi Murdock, Fundraising Events Manager by **January 5, 2024**. Nominees must reside in Washington, Oregon, Alaska, Montana, or Idaho. Nominations will be reviewed and the winner(s) will be selected by APDA staff and the Magic of Hope Committee. Winners will be contacted by January 19, 2024, and invited to attend the Magic of Hope Gala and Auction on March 2, 2024, where they will be awarded the Optimism Award.

Optimism Award - Community Member

A community member nominee may be a PwP (Person with Parkinson’s), a care partner, family member, support group leader, volunteer, donor/philanthropist, or individual with a passion for Parkinson’s disease who is making a difference in the lives of those living with PD.
