

# JOIN OUR STUDY OF ATTENTION AND WALKING!

A BOSTON UNIVERSITY RESEARCH STUDY

We are examining the relationship between attention and walking in persons with and without Parkinson's disease (PD)

## If eligible:

- You will fill out questionnaires and take cognitive tests in our lab and remotely.
- For two weeks as you go about your everyday activities, you will respond to brief surveys on your smartphone, which will also record aspects of your walking (such as your pace).

## We are looking for volunteers who:

- Have a diagnosis of PD without dementia, or healthy people without PD
- Are age 40 or older
- Are proficient English speakers
- Have a smartphone (iPhone or Android)

**Earn up to \$144 for your participation.**
